

Lake Wales High School presents:

2010 AP & Dual Enrollment Expo

You're Invited!

What: AP & Dual Enrollment Expo.

This is an opportunity for you and your student to ask questions and get information on courses your child is interested in for the 2010-2011 school year. While you are here, you can: speak with teachers, ask questions of former and current students, fill out the AP application, get a sample syllabus, find out your summer assignments, and find answers to your AP and dual enrollment questions. Food will be provided as well. The following courses will be represented:

AB Calculus	BC Calculus	Statistics
Music Theory	Biology	Physics
Chemistry	US History	Environmental Science
Government	Economics	Psychology
Language	Literature	Spanish Language
A+ certification	Early Child Education	

More PSC dual enrollment opportunities

AP and Dual Enrollment Registration information

*For the upcoming
2010-2011
school year*
